## SERVICE NOTES

**Food and Beverage / Planned Function Policy:** A service charge and a sales tax (currently 25% and 6.5%, respectively) will be added to all food and beverage costs. The service charge is taxable. All prices are quoted per person unless otherwise indicated

An additional service charge of \$100 will be applied to each meal function with a guarantee of 19 or fewer attendees.

We must receive a final guarantee of attendance for Food and Beverage, Disney Institute Programming, Golf and Recreational Activities at least 72 hours in advance (or by 12:00 noon on the preceding Friday for functions scheduled on Monday, Tuesday or Wednesday). If you do not do so, we will assume that the last figure received is the final guarantee. You will be billed for actual attendance or the final guarantee, whichever is higher (subject to any guaranteed minimum).

The Florida Beverage Law prohibits the consumption or possession of alcoholic beverages by any person under the age of 21. Upon your request at the conclusion of your food and beverage functions, wine that was purchased by the bottle and partially consumed may be removed by you in accordance with Florida law. If you elect not to remove partially consumed bottles, such bottles shall be deemed transferred to us for no additional consideration. This paragraph does not apply in the case of hosted bars (where wine is purchased on a “by the drink” basis) or packaged bars (where wine is provided on an hourly/per person basis).

**Allergy-Friendly Requests:** We are happy to discuss and attempt to accommodate any special dietary requests. It is ultimately up to each individual to make an informed choice based upon their individual dietary needs. Your guests with food allergies must speak to a Special Diets Trained Cast Member upon arrival.

While we take steps to help mitigate cross-contact, we cannot guarantee that any item is completely free of allergens. Buffets may be susceptible to cross-contact due to their self-service approach. Our Allergy-Friendly recipes may use highly refined oils, such as soybean oil, and/or ingredients that are processed in facilities that also process allergens.

Nothing in this document will reduce or negate any food and beverage commitment in any agreement entered into between you and us or any of our affiliates.

**Labor Charge:** A Bartender Fee of \$220 per bar will be applied for all Bars. For every \$500 in bar sales (1) Bartender Fee is waived. Additional bartenders can be requested for a service fee of \$220 per bartender. (The fee for additional bartenders shall not be waived.)

A Cashier Fee of \$210 per cashier for up to four hours will be applied. Every \$500 in bar sales (1) Cashier Fee is waived.

The number of cashiers required for an event will be determined by catering operations.

**Outdoor Functions:** The decision to move an outdoor event to an indoor location (if available) will be made five hours before the event start time based on various factors including, but not limited to, the complexity of the event, prevailing weather conditions, and the local forecast. Disney will make this decision in the exercise of its sole discretion.
